ATLAS IT

10" Wall mount cabinets ATLAS series

General

Soho cabinets; are used in small-sized network solutions with its solid and simple structure. It adapts to the usage areas such as offices, schools, bank branches, hospitals with its aesthetic visuality. Various network systems can be installed with 19 "and 10" options.

Width and Depth Options

Soho Cabinets offer 19"and 10" widths, 400mm and 300mm in-depth options.

Aesthetics

Aesthetic and stylish design helps to adapt easily to usage places. Front glass is 4mm, smoked, tempered, high resistance to fracture and full-length with cam lock.

Wall Mounting

After fixing the rear panel to wall, the cabinet to be hanged over the rear panel. Then cabinet's fixing to the wall is completed.

Ventilation

Two ventilation holes on the top sheet allows to passive ventilation by convection when the fan module is not assembled and active ventilation when the fan module is assembled.

Cable Entry

Cable entry can be provided in 3 way access through the cable entry points on the top cover, bottom cover and rear door of the cabinet. In one of these halls, there is a brushed cable entry and in the others, there are PVC dummy plates. To prevent dust entry; dummy plate can be replaced with a brush strip wherever the cables will enter.

Volume

Soho Cabinets have all the internal volume needed forcabling of Switch, Router Patch, Panel, Socket and similar network equipment.
Adjustable Mounting Rails

According to the dimensions of the devicesto be used in the cabinet, mounting rails; canbe moved at certain intervals and fixed to therequired depth, thus inside of the cabinet is usedmost efficiently.

Key features

- Material: 0,8mm DKP
- IP classification: IP20 as a standard, IP40 when solid matel panel applied for all access
- Loading capacity: recommended up to 80kg loading capacity
- Doors: door options are available, single point locking system, doors can be opened to 120 degree, doors can be opened to left or right direction
- Mounting rails: 19" mounting rails, adjustable in depth of the cabinet, 1,2mm DX51D+ZN275 galvanic
- Bottom: PVC cable entry cover is available
- Rear door: PVC cable entry cover is available
- Top sheet: sliding cable entry is available
- Available colors: Light Grey (RAL 7035) and Black (RAL 9005)
